FOR IMMEDIATE RELEASE

JASON NOVACK COMES TO WINDERMERE

RANCHO MIRAGE (Calif.) – January 29, 2011 – Windermere Real Estate is proud to welcome Jason Novack to its Windermere Rancho Mirage office.

Jason is not new to the desert; he has called the desert home since 1987, however his love of the area first took root as far back as 1975 with his parents' first condo. He was drawn to real estate following a successful earlier career in the golf industry. (What did he do there? "Everything," he says. "I know the world of golf pretty much from every angle.")

In real estate, Novack has represented buyers and sellers in the Coachella Valley since 2003, and comes to Windermere with an impressive record of success. For the third quarter of 2010, he ranked among the top 2% in sales figures nationally out of nearly 45,000 agents.

Novack enjoys every facet of the real estate field, serving clients in transactions in all ranges up through the multi-million dollar luxury market. "I love real estate. I enjoy the challenge of ensuring the best transaction experience for my client," he says. "I like having the opportunity to make a great living doing what I enjoy, something which every day offers something different."

His clients appreciate his attention to detail, his motivation, and his winning personality. Novack's reputation for customer service is a perfect match with Windermere, a company which sets the standard in the industry for customer satisfaction.

Novack's motto is concise: Superior service, superior results. "I love that the desert lifestyle has so much to offer...something for everybody, from entry condo to multi-million dollar estate."

Windermere offers exceptional service and outstanding buyer and seller experience from locations throughout Southern California, with 15 offices in the Coachella Valley and locations in Garner Valley, Lake Arrowhead, Brea, Chino Hills and San Diego.
